

Anatomy of the Design & Development Summit

THE STADIUM BUSINESS **DESIGN & DEVELOPMENT** SUMMIT 2018
12-14 November 2018 • Hilton Wembley, London

Our 7th edition of the world's leading sports venue design and development meeting heads back to London. Here's a taster of what's planned for our two days in and around Wembley:

Why London?

London is alive with new stadium projects and major investments including:

OneTwenty Club

Wembley Stadium's best-in-class premium hospitality club space .

Twickenham

RFU's new East Stand (below) adds 11,000 sq m of hospitality space for 6,800 premium ticket holders

Chelsea FC

60,000 capacity new stadium (left) estimated to cost £500m

DAY 2	Tue, Nov 13, 2018	The Marketplace	Full Day Conference		Design & Development AWARDS
DAY 3	Wed, Nov 14, 2018	The Marketplace	Full Day Conference		

The Marketplace

The place to do business! Our mini-expo and networking area where all breaks are hosted. We ring this busy space with interactive demo-pods to showcase leading suppliers and innovators.

The Conference

With 400+ delegates, the two-day conference is the key element of the Summit focusing on real estate, funding, design, delivery and fit-out for future stadiums, arenas and sports facilities.

Networking

Let's get together!

Networking is at the core of our gathering – where architects, project teams, consultants and leading suppliers meet. We've programmed plenty of time to catch up with old friends and make new ones – from the world's new sport projects.

The Awards

The Stadium Business will be recognising the very best in sports stadium design and development with our second awards. Join us at the awards party when we announce some of the industry's key movers and shakers.
